TOTAL COST TO CITY UNDOCUMENTED WITH NO REIMBURSEMENT FROM DHHS: $2127.02

The reason why the city does not receive 70 % state reimbursement at this time for the amount paid through GA is relative to client status. In order to be considered legally present, a client or members of the family must have on file an asylum receipt with an "A" number. This occurs upon receipt of the pending application for asylum. I am tracking the expenditures monthly at which time the state may provide assistance during the period between applying for asylum and receiving the "A" confirmation number.

Respectfully submitted,
Kathleen
