Dear Mayor Jalbert,

I am writing to show support for the reappointment of Kevin Glynn as Commissioner of South Portland Housing Authority. Kevin has been a valued asset to affordable housing here in South Portland and also nationally where he serves on a committee for National Association of Housing and Redevelopment Officials. Kevin has been Chairman of the Board since 2009 and is very well respected by his peers. His decisions are well thought out and he always takes into consideration “is this in the best interest of the City of South Portland and its residents”.

Kevin has also been instrumental in the formation of a regional entity – Greater Portland Housing Services Corporation. The Greater Portland Housing Services Corporation has been charged with forming collaborations specifically between Portland, Westbrook and South Portland Housing Authorities in order to gain efficiencies in our operations.

Thank you and please feel free to contact me if you have any questions, comments or concerns.

Very Best,

Michael Hulseley
