Ms. Emily Scully, City Clerk
City of South Portland
25 Cottage Road
South Portland, ME 04106

Dear Ms. Scully:

Portland Pipe Line Corporation is applying to the Maine Department of Environmental Protection for renewal of our existing hydrostatic test water discharge license for our tank farm facilities in South Portland, Maine.

As required by the license renewal process, we are providing the enclosed copy of the application to you as the South Portland City Clerk. Please make the application available to the public for review. Also as required by the license renewal process, we have provided a Notice of Intent to File both in the Portland Press Herald and to all abutting landowners to our tank farm facilities, noting the availability of the application at your office.

Please feel welcome to contact us if you have any questions regarding the application materials. Thank you for your assistance.

Sincerely,

Kenneth P. Brown
