

City Council Workshop

Agenda Item #4

July 24, 2017

Review of Upcoming Workshop Items

This item is brought forward to discuss upcoming City Council Workshop Items. This discussion is done on a monthly basis.

We will review one new proposal from Councilors Beecher and Cohen, regarding the request to change the name of Acton Street to McLaughlin Way. Per Council's rules, at least two councilors will need to agree to sponsor an item for it to make it on a workshop agenda.

We will also review outstanding items on the workshop list and determine future workshop dates for these items.
