RE: Annual Report for Chicken and Bee Permits

Pursuant to Ordinance Section 3-68, please forward the following information regarding permits issued for chickens to City Council.

During the calendar year for 2013, our office issued thirty (30) permits to applicants to keep chickens. During this year, I received one (1) complaint about a chicken running at large in the Brigham Street/Dawson Street area. The Animal Control Officer responded to the complaint, returned the chicken to its rightful owner and no enforcement action taken.

During the calendar year for 2013, our office issued fourteen (14) permits to applicants to keep bees. No complaints relating to the keeping of bees were received.

Attached is the list of applicants who applied for and were issued permits for the keeping of chickens and bees during the calendar year 2013.
