Educational Background

I have an AA in creative writing and a BFA in liberal studies with a concentration in creative writing from Vermont College.

State interest or reason for wanting to serve

I love reading and the printed word and would enjoy the opportunity to contribute constructively to a community institution that shares those values. Although I have not utilized the South Portland library's resources since moving here four years ago, I am a big believer in the public library system and would like to help support it.

Have you lived here in the City less than three years?

No

Could you commit to attending a minimum of 75% of scheduled meetings
