

City Council Workshop

Agenda Item #1

February 3, 2014

Draft Ordinance Committee

The City Council will meet with the Draft Ordinance Committee to provide direction. The Draft Ordinance Committee will have to determine a meeting schedule and ground rules. Items for Council discussion may include;

- Are minutes necessary if meetings are taped and available through the website
- Web page for Committee – posting of agendas and minutes
- Comment form for public – name and address required
- Guidance regarding public input
- Communication expectations
- Information that is collected by the committee should be made available on request – how to collect it and store it
