Subject: Bug Light in-kind donation

----

We would appreciate having the most recent 'donation' placed on the October 16 Council agenda if possible. And perhaps be given a couple of minutes to address the Council and invite them to come down to see the lighthouse as well.

The following is the breakdown of expenses for the two most recent projects.

Plate glass window replacement and frame repair: \$1,500 materials  
300 labor

Recast missing decorative acanthus leaves on two columns:  
\$10,167 materials  
3,750 labor

Total in-kind contribution for Bug Light \$15,717

South Portland - Cape Elizabeth Rotary Club.

Respectfully submitted.
